Potawatomi Language Summer Immersion participants visit historic Dance Rings

On Thursday, July 12th over 40 participants of the Summer Language Immersion Camp boarded a bus to visit the Dance Rings located near the Chalk Hills Road Campground by the Menominee River.

Fluent Speaker, Jim Thunder Sr. guided the tour of the area which also included burial grounds. He touched on many subjects including the small pox epidemic. Jim also spoke of his mother being born there and how large the settlement was. His stories helped create visuals and made the visit an emotional one.

The sign shown below is located at Dance Rings site and was put there by a Boy Scout Troop. It reads, "Between the years 1634 and 1923 the area known as White Rapids was occupied by the Menominee Indian and the Forest Potawatomie. Sometime during their occupation the Indians erected the two dance rings on this site by banking the earth into circular mounds. The rings are 33" and 66" in diameter with the entrances from the south. The drummer sat between the rings with the master of ceremonies in each ring. Only peaceful dances were performed here: Maple Sugar Dance, Strawberry Dance, Green Corn Dance, Tobacco Dance, Deer Dance, Medicine Lodge Dance, Thanksgiving to the Great Spirit Dance, Return Dance, and Friendship Dance for visitors and White Settlers. These historic rings remain as a monument to the rich culture of the American Indians of our area."

Did You Know?

The casino's profits support over 35 different programs that provide services to the Tribal membership. Given the number of programs that are supported and the fact that funds are not endless, program funding sometimes falls short of what the true need amongst the community might be. Once the unmet need is identified, the director of the program must decide whether to make due with the funds that are available or find other sources of funds to fill the gap.

Given the relationship of Tribes to the Federal government there are often special pots of funds available for Tribes. While most of these grants are very competitive and often difficult to obtain, these special pots of funds present substantial opportunities for program development; but it takes special people to identify the needs, develop the programs, and accept responsibility for loads of extra work with often little recognition for their efforts.

One department that has routinely utilized these types of grants to improve the services they offer is the youth center. The list of grant programs they have attracted and developed is long: youth facility construction, tutoring, mentoring, youth employment and training, service learning, summer Kidzone, and after-school education programs; all of these were conceived of by the youth center management with the help of the Tribal and School administration. These grants provide funding to improve services to members but they come with lots of rules, requirements, and red tape. In short, these grant programs create lots of work. The youth center and the administration of Hannahville think children are worth the extra work and effort ... and it's good to have people who think that way.

Island Resort Championship at Sweetgrass

Eleven of the professional LPGA golfer's held a session with fifty youth from the area between the ages 10-14 on Wednesday, June 27th. The participants were divided into 4 different groups. Each group learned skills for chipping, pitching, driving range and putting. Each youth received a t-shirt with the LPGA Sweetgrass logo along with sunscreen and two day passes for the weekend. Four of the youth received a golf bag with a player's name on it for getting the lowest score in a putting competition and had a chance to get it autographed over the weekend. Two of our community members, Darnell Wandahsega and Ellianna Gonzales took part in the session that lasted over 2 hours.

NOTICE OF FINDING OF NO SIGNIFICANT IMPACT AND NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

This notice shall satisfy procedural requirements of two separate, but related activities to be undertaken by the Hannahville Indian Community.

REQUEST FOR RELEASE OF FUNDS

On or about August 20, 2012, the Hannahville Indian Community will submit a request to the U.S. Department of Housing and Urban Development (HUD) for the release of Indian Housing Block Grant (IHBG) funds to undertake two new housing construction projects know as "N14998 B-1 Road: Single Family Home" and "N15553 Cedarview Dr.: Single Family Home". These projects consist of new construction materials assistance in the amount of \$183,604, for FY 2012 (Project No. 12IH2627640). The total amount of funds to be released is \$183,604 for both projects. The sites are located within Hannahville Indian Community trust lands within Menominee County, Michigan.

FINDING OF NO SIGNIFICANT IMPACT

The Hannahville Indian Community has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR) on file at the Environmental Protection Programs Office, Department of Planning/Evaluation, Hannahville Visions Center, N14911 Hannahville B-1 Road, Wilson, MI 49896, and is available for review and examination or copying. Contact L. Scott Wieting, Environmental Programs Coordinator at (906) 723-2295.

PUBLIC COMMENTS

Any individual, group, or agency disagreeing with this determination or wishing to comment on the project may submit written comments to the Environmental Protection Programs Division, of the Department of Planning/Evaluation, at the Hannahville Visions Center. All comments received by August 20, 2012, will be considered by the Hannahville Indian Community prior to authorizing submission of a request for release of funds. Comments should specify which Notice they are addressing.

RELEASE OF FUNDS

The Hannahville Indian Community certifies to HUD that Kenneth Meshigaud, in his capacity as Tribal Chairperson, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. The HUD's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities, and allows the Hannahville Indian Community to use Program funds.

OBJECTIONS TO RELEASE FUNDS

HUD will accept objections to its release of funds and the Hannahville Indian Community certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of the Hannahville Indian Community; (b) the Hannahville Indian Community has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient has committed funds or incurred costs not authorized by 24 CFR Part 58, before approval of a release of funds by HUD; or (d) another Federal Agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality.

Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58) and shall be addressed to the U.S. Department of Housing and Urban Development, Eastern/Woodlands Office Native American Programs, 77 West Jackson Blvd., Chicago, IL 60604-3507. Potential objectors should contact HUD to verify the actual last day of the objection period.

Kenneth Meshigaud, Tribal Chairperson
Hannahville Indian Community

Breastfeeding Awareness Month

August is National Breastfeeding Awareness Month. To raise awareness about the benefits of breastfeeding we have included some facts to share.

- Did you know a mother's breast milk always has the right amount of fat, carbs, and protein? Her milk changes depending on the needs of the baby.
- Breastfeeding acts as a natural tranquilizer for mom, as oxytocin is released during each breastfeeding session.
- Breast milk is more easily digested than formula.
- Breast milk contains antibodies to protect infants from diseases while their immune systems are fragile; this is why breastfed babies tend to be less sick than formula fed babies.
- A mom's body almost always makes enough milk for her baby. The breasts make milk as the baby suckles, so even if baby was just fed, you will make enough milk to feed again 15 minutes later if baby is hungry again.

"While Breastfeeding may not seem the right choice for every parent, it is the best choice for every baby"
- Amy Spangler

"A baby nursing at a mother's breast is an undeniable affirmation of our rootedness in nature" - David Suzuki

Education is key to successful breastfeeding. Read up on breastfeeding and meet with a CLC prior to labor and delivery. The more you know, the more empowered you will feel knowing you can provide everything your baby needs!

Healthy Start, WIC, and our Dietitian encourage and support the community members to breastfeed. We are lucky to have in the community two Certified Lactation Counselors that strongly support breastfeeding and are willing to answer any questions a pregnant or nursing mom has. Mandi Brayak, Healthy Start RN can be reached at 723-2544 or Erin Davis, Registered Dietitian/Diabetes Educator can be reached at 723-2534.

Healthy Start interviewed 4 "Star Breastfeeding Moms" asking them the following 4 questions:

1. How much experience do you have breastfeeding (in total months)?
2. Why do you choose to breastfeed your babies?
3. Have you ever had a hard time breastfeeding and if so how did you overcome it?
4. What would you say to a pregnant mom that is interested in breastfeeding?

Vanessa McDonald:

1. 32 months and still going!
2. It's free and easier than bottle feeding
3. No
4. It only hurts for a little bit, gets much easier, and don't give up!

Amanda Scheeneman:

1. 27 months and plan to continue another 12 months with the new baby
2. It's all I know
3. Yes, but I pushed through it. I dealt with mastitis, thrush, and latch issues but I pushed through it because it's the best thing for my girls.
4. Stick with it, the rewards are unbelievable

Traci Karaja:

1. 45 months, plus I plan on nursing the new baby for at least a year
2. It's healthier, convenient, and just plain easier
3. No, I've never had problems
4. Do It! No question about it, you have to stick with it. You may feel like giving up but don't, it's worth it in the end, especially the bonding

Gabby Malinowski:

1. 18 months and still going with Zakarie
2. It's my own alone time with my babies, the bonding and it's just healthier
3. In the beginning I did but it got easier. I stuck through it because it is the best for my kids
4. Do it as long as you can.

"Breastfeeding is a gift that lasts a lifetime"...

TO WIN, WE HAVE TO LOSE.

THE WEIGHT OF THE NATION

CONFRONTING AMERICA'S OBESITY EPIDEMIC

**Please join us for a local screening of
THE WEIGHT OF THE NATION, an HBO documentary series
addressing the national obesity epidemic.**

DATE: September 20, 2012 Thursday

SCREENING TIMES: 4:00- 6:00

LOCATIONS: Hannahville School

FOR MORE INFO CONTACT: Erin Davis 723- 2534 Julia Schroeder 723-2725 Rose Potvin 723-2722

Session is for : FACE, HEAD START, EARLY HEAD START AND CHILD CARE FAMILIES

Three years in the making, ***THE WEIGHT OF THE NATION*** is a four-part documentary series, featuring case studies and interviews with leading experts and with individuals and families struggling with obesity. The series spotlights the facts and myths of this urgent public health issue, showing how obesity affects the health of the nation and cripples the health care system – and what individuals and communities can do.

THE WEIGHT OF THE NATION is a presentation of HBO and the Institute of Medicine (IOM), in association with the Centers for Disease Control and Prevention (CDC) and the National Institutes of Health (NIH), and in partnership with the Michael & Susan Dell Foundation and Kaiser Permanente.

We hope you join us to learn more about this pressing health issue, and how you can help support our efforts to combat obesity in our own community.

Families will gain information on nutrition. Children will each receive a portion control plate. Parents will be entered into a drawing for healthy food basket.

For a film trailer and more information, visit: hbo.com/theweightofthenation.

Quit Smoking Class

The Hannahville Health Center is offering a Quit Smoking Class. This program will help you overcome urges, identify smoking triggers, and develop your own Quit Plan.

This class has helped thousands of people quit smoking, and it can help you too!

Classes will be held on the following dates from 12-1:30pm, light lunch provided.

- September 13th
- September 20th
- September 27th
- October 4th—Quit Day!
- October 11th
- October 18th
- October 25th

.....
Classes will be held at the Hannahville Health Center. For questions, or to sign up please contact Kris Blahnik or Shanna Hammond.

Phone Number: 723-2530

Two-2-Bedroom Apartments, Located in the Robinson Apartment Building Lower Level. Rent \$275.00 per month plus security deposit, includes heat. Apartments are recently renovated.

Hannahville Housing Department

To apply stop in the Housing Department to fill out or update an application. The Housing office is open Monday - Thursday 7 am - 5 pm. Or mail to N14911 Hannahville B-1 Rd. Wilson, MI. 49896. Housing Department will no longer accept phone calls for updates.

Deadline August 30, 2012 at 5pm

NO EXEPTIONS

Call the Housing office at (906) 723-2294 if you have any questions.

Hot Weather and Your Pet

Never leave your pets in a parked car. On a warm day, temperatures inside a vehicle can rise rapidly to dangerous levels. On an 85 degree day, for example, the temperature inside a car with the windows opened slightly can reach 102 degrees within 10 minutes. After 30 minutes, the temperature will reach 120 degrees. Your pet may suffer irreversible organ damage or die. If you see an animal in distress in a parked car, contact the nearest animal shelter or police.

It can get really hot, real fast in a vehicle. Never leave your pet in a parked car.

Shade and water are a must. Anytime your pet is outside, make sure he or she has protection from heat and sun (a doghouse does not provide relief from heat) and plenty of fresh, cool water. Heatstroke can be fatal for pets as well as people.

Limit exercise on hot days. Take care when exercising your pet. Adjust intensity and duration of exercise in accordance with the temperature. On very hot days, limit exercise to early morning or evening hours, and be especially careful with pets with white-colored ears, who are more susceptible to skin cancer, and short-nosed pets who, because of their short noses, typically have difficulty breathing. Asphalt gets very hot and can burn your pet's paws, so walk your dog on the grass if possible.

Recognize the signs of heatstroke. In case of an emergency, it's important to be able to identify the symptoms of heat stress caused by exposure to extreme temperatures. When in doubt, contact your veterinarian immediately. Some signs of heatstroke are: heavy panting, glazed eyes, a rapid heartbeat, restlessness, excessive thirst, lethargy, fever, dizziness, lack of coordination, profuse salivation, vomiting, a deep red or purple tongue, and unconsciousness.

If you think your pet is suffering from heatstroke, act quickly! Move the animal into the shade or an air-conditioned area. Apply ice packs or cold towels to her head, neck, and chest or run cool (not cold) water over her. Let her drink small amounts of cool water or lick ice cubes. Take her directly to a veterinarian.

COOL STUFF FOR YOUR PET

Freeze up some treats for your canine friends. Help your dog chill out with these quick and easy do-it-yourself popsicles, made from peanut butter or another favorite food. Pet popsicles can be made out of all kinds of things that your dog (or cats) eat normally, so experiment to see what your dog likes best.

Try: Treats suspended in water, watered down wet food, and favorite frozen veggies. Avoid: onions and onion powder, salt, macadamia nuts, tomatoes, potatoes, rhubarb leaves and stems, avocados, grapes and anything else your pets are not suppose to ingest.

Tip: You can fill up a rubber Kong-style toy and freeze - a great cool-down treat for when you will be away for a few hours.

Reprinted by permission of The Humane Society of the United States. For more pet care info, visit www.humanesociety.org

PEANUT BUTTER POPSICLES

1. In a small mixing bowl, combine peanut butter with a little water or half a mashed banana. (The water and banana aren't essential but help with freezing consistency.)
2. Line an ice cube tray or cookie sheet with wax paper. (You don't have to use the paper, but it can make prying the cubes out easier.)
3. Spoon the mixture into the cubes, or drop onto the tray just like you would cookie dough.
4. Freeze. If you need to reuse the tray right away, pop out the cubes and store them in a bag or container in the freezer.
5. Serve. Turn any hot dog into a happy camper.

Environmental Department

On June 18, Mike Schuster of the Environmental Department at Hannahville Indian Community met with a group of 50+ kids and adults from the Sault Ste. Marie Tribe of Indians in Gladstone. The group is part of a Youth Summer Activity that goes for 5 weeks throughout the summer.

Mike covered many topics including osmosis and the importance of keeping water clean. He also answered

various questions from the youth about the duties of his job. Mike does many tasks within his job such as sampling surface water, testing for ecoli, bug and pesticide testing.

If you have any questions for Mike about water quality or are interested in learning more what he does, he can be reached at 723-2296.

National Night Out

The Hannahville Tribal Police and Hannahville Healthy Start

Announces

“NATIONAL NIGHT OUT”

Tuesday, August 7th, 2012

from 4:30 p.m. to 7:30 p.m.

at the Hannahville Gathering Grounds.

This event is aimed at preventing crime, and promoting police-community partnerships; crime, drug and violence prevention; safety; and neighborhood unity. Everyone is welcome; there will be information booths, fire trucks, smoke house, police cars, and child ID kits available. Admission is free along with hot dogs, chips, and soda so come as you are, bring the kids and enjoy the evening.

WHAT IS NATIONAL NIGHT OUT?

It's America's Night Out Against Crime! This year is the "29th Annual National Night Out" (NNO), a unique crime/ drug prevention event sponsored by the National Association of Town Watch (NATW). Last year's National Night Out campaign involved citizens, law enforcement agencies, civic groups, businesses, neighborhood organizations and local officials from over 15,000 communities from all 50 states, U.S. territories, Canadian cities and military bases worldwide.

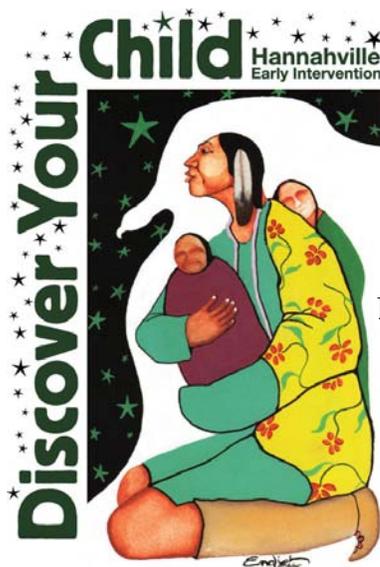

NATIONAL NIGHT OUT is designed to:

- Heighten crime and drug prevention awareness;
- Generate support for, and participation in, local anticrime programs;
- Strengthen neighborhood spirit and police-community partnerships; and
- Send a message to criminals letting them know that neighborhoods are organized and fighting back.

Any questions, please contact the Hannahville Tribal Police Department at (906) 466-2911

The Hannahville Tribal Police Department is requesting any information in the theft of medication, a cell phone, and money, along with other items from a vehicle in the Cedarview Sub-Division area on July 24, 2012. Anyone with information is asked to contact Sgt. Hansen at the Hannahville Police Department at (906) 466-2911 or leave an anonymous message at www.hannahvillepolicedepartment.com.

Please remember to secure your vehicles and belonging to prevent being a victim of theft.

Employee Picnic

HANNAHVILLE

You and your family are cordially invited to our Employee Picnic. The day promises to be fun filled for everyone! This year is themed to celebrate the Summer Olympics and that we are proud to be American. There will be a tent to register for meal tickets, prizes and contests by the Convention Center entrance. At the tent, you will receive a gift of a water bottle, which is given to you to coincide with our Wellness Program and to help in our country's efforts to go "green". We will have sign up for a "special" drawing for those who wish to dress "Patriotic". We will be drawing a name for a \$50.00 gas card from those who participated. We will also have registration for our team event "Red, White, and Blueberry". Employees can choose a team of three from their Family Members, Island Family and/or HIC Employees. "Red, White and Blueberry" will consist of 3 separate events and will be times. Guidelines will be available at registration.

Inflatable Jumps, Fun in Focus Photo Booth, popcorn/cotton candy will be open at 11:00 a.m. Lunch will be served at 12:00 p.m. We have Terry Carlson, Slot Director, donating his time to roast pork, along with our Chefs from the kitchen preparing brats, hot dogs, coleslaw, and beans. We will have the "on Duty" employee line open at this time.

At 1:00 p.m., we will have our opening ceremony for our version of Summer Olympics. The contests will follow to include: Noodle Throw, Watermelon Seed Spit, and Water Balloon Toss. Medals will be awarded following the events.

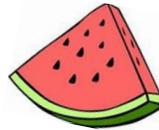

At 2:00 p.m., we will begin "Red, White, and Blueberry", team event. The team that has the best time under 3 minutes will be the winner. We will award the prize of \$75.00 following the contest.

We look forward to seeing you there!

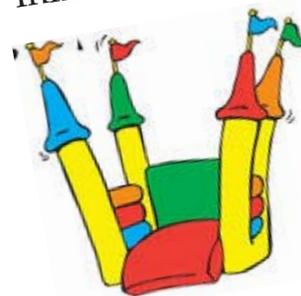

Friday, August 3rd 11:00 a.m. - 3:00 p.m.
Back Casino Parking Lot

Honor Feather

Created by Ambrose Peshlakai, the Shield was created to honor veterans who serve their people, especially the code talkers of World War II that are a part of Ambrose's family.

Originally from Albuquerque, New Mexico, Ambrose has been living in Michigan's Upper Peninsula. He has been carving beautiful stone sculptures of Alabaster and soapstone. Recently, he has turned his creativity toward creating feather fans with special meanings.

You can now own The Shield in four different versions – with backgrounds of red, white and blue or a with a special backgrounds with the simple title, "In Honor."

Order your copy today on www.honorfeather.com

Potawatomi Language Summer Immersions

There is only one week of Immersions left! Come join us along with the Potawatomi fluent speakers and other bands to get more acquainted with our language!

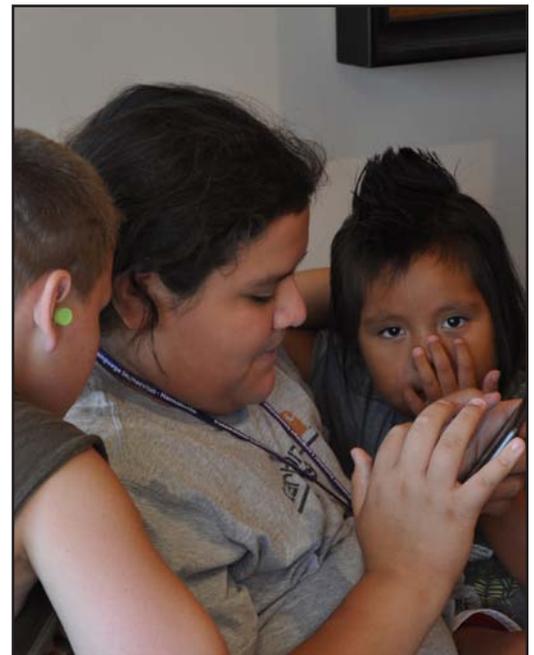

The Summer Language Immersion Camps are part of Project Ewikkendaswat Ekenomagewat, funded through a three-year Language Revitalization grant from the Administration for Native Americans (ANA).

Whether you're a beginner or advanced, our Immersion Camps have plenty to offer. The mornings are spent with the fluent speakers, creating and breaking down sentences while the afternoons are filled with activities.

You can see in the pictures below how much fun our participants have while learning the language and it doesn't matter what age you are, learning is for everyone!

**Begins
August
13th!**

*Learning our language is not a recreational activity,
it is a priority!*

We hear so many talking about wanting to learn the language. Well, this is your chance to learn - so don't be afraid to come learn. We are not all on the same level of fluency on the language. We have plenty of fun activities during the week-long event, which can be very entertaining as well, such as:

- Name that Memorable Movie Quote
- Drawing and listening activity
- Building Block Sentences
- Jeopardy
- Grammar Bingo
- Telephone Game
- Talking Circle

We also have lots of prizes to give away! Please call to register today! We start on Monday, August 13th and end on Friday, August 17th. If you have any other questions, please feel free to contact Dawn Hill 723-2272 or Jill Wabanmikee at 723-2273. We hope to see many of our tribal members there!

A HOLT HAMILTON FILM

MORE THAN FRYBREAD

IT WAS ONLY SUPPOSED TO BE A CONTEST...

Location:
Island Resort & Casino
Showroom

Date:
Monday, August 20th
7PM

Hannahville Indian Community members

www.FrybreadMovie.com

www.facebook.com/frybreadmovie

Director Travis Holt Hamilton will be putting on a workshop for the youth and be involved within the community on Monday, August 20th. More information to be posted throughout the community.

Reader's Submission

Hannahville Indian Community's descendant Gaylen Edmo accepted into the Naval Academy

Pictured above left to right is Galeyn's father Wes Edmo, *Shoshone Bannock*; Gaylen; his mother Nancy Edmo, *Hannahville Indian Community*; and his uncle Tony Mancilla.

Gaylen graduated from Highland High School, in Pocatello, Idaho with a 3.5 GPA. He took many advance placement courses. While attending High School, Gaylen was involved in wrestling and football.

Some of his achievements in wrestling include: placing 4 times in the State tournament at the Heavyweight class. Third as a freshman, second as a sophomore and was the state champion his junior and senior seasons. A four time western regional champion (Freestyle and Greco - 2x each). Three time all American at the Junior Nationals in Fargo, ND (National High School tournament) must place in the top 8. Finished 3rd and 4th in Greco, 7th in Freestyle.

Achievements in football include: Three year letter winner, starter. His team won the State Championship his freshman year. He was also State 5A defensive player of the year as a junior and First team All-State twice.

Gaylen is going to the Naval Academy to join the wrestling team. The Naval Academy has been around since 1845. It trains officers for the Navy in a college setting and is a very prestigious institution. Only 14% of applicants are eventually accepted out of roughly 10,000 per year. You must have a nomination from a congressman along with grades, accomplishments and strong moral character.

Currently Gaylen is in boot camp before school starts. His plans are to make it through the academy first and then obtain a degree in Engineering. There is an enlistment requirement of at least 4 years active duty. He will be committed to the Navy for at least 8 years.

Congratulations Gaylen! We wish success!

To all Hannahville Happenings readers, family and friends,

We would like to recognize and congratulate my sister, Deborah Michele Jackson on her recent graduation. Debby is the daughter of the late Irene Sagataw Mancilla and sister to Tony Mancilla.

Debby graduated on June 2, 2012 with a Bachelor of Science in Business Administration with a concentration in finance with honors. She was inducted into Delta Mu Delta, an International Honor Society in B.A. which is the highest recognition a business student can earn.

Debby has a big family with many extra curricular activities and a full time job so attaining these achievements took a lot of hard work and sacrifice. Debby plans to continue on with graduate school at the University of Idaho this fall. Good luck Debby! We are all very proud of you and pulling for you!

Your family in Texas

Reader's Submission

This photo is of O-Ke-Wash, also known as Sophia Sagataw and Sophia Williams. She's listed on the Durant Roll as well as the 1870 census of Chippewa and Ottawa of Michigan. She's also the common ancestor of the Sagataws of Hannahville; the Hardwicks of Delta County; Macabee descendants of Delta, Chippewa and Mackinac Counties; and Williams descendants of Sault Ste. Marie. Since her descendants are scattered across the country, and include members of the Hannahville, Sault, and Grand Traverse Band tribes, I think the best way to share the photo with my distant relatives is to have it printed in tribal newsletters.

O-ke-wash is my great-great-great-grandmother, and I'm descended from her daughter Sophia Hardwick. I've been researching this family for several years, and my grandmother had given me the original tinfo photo years ago. My grandmother didn't know the name of the boy in the photo, but most likely it's one of O-ke-wash's sons.

A member of the Traverse Band of Chippewa and Ottawa, Sophia "O-ke-wash" was born about 1831, and was married at least twice—first to Joseph Medwesh and later to James Williams. According to her granddaughter, Elizabeth (Hardwick) Stone Paquette, Joseph Medwesh had gone away to fight in the Civil War and never returned.

By 1868 Sophia was married to James Williams, and according to the 1907 Durant Roll and other census records, they lived in Stonington, Delta County, where James died on July 30, 1909. In 1920 Sophia was living with her granddaughter, Annie (Macabee) Nadeau in Stonington. Her date and place of death remain unknown, as does her place of burial.

The Durant Roll lists four living children in 1907: George Sigwate (or Sagataw) was born around 1854, and married Christine Osawwawnameke (although Christine's death record states that her maiden name was Neance). George and Christine farmed in Stonington, Delta County, and had at least nine children: Alex, Lawrence, Emma, Benedict, Martin, Joseph, Annie, Martha and Lucy. The family suffered tragically during the flu epidemic of 1918 when Christine and 3 children died in the span of two weeks. The Sagataws moved to Hannahville by 1930, and George died in Harris on April 24, 1930. George's son, Benedict, was a veteran of World War I and settled in Harbor Springs.

Sophia Medwesh was born around 1857, and her marriage record states that her father's name was Joseph Medwesh. Sophia married George Hardwick in Escanaba on December 26, 1875. They farmed in Stonington, Delta County, where they raised five sons and three daughters: Moses, Catherine, George, David, John, Ellen, Elizabeth and Joseph. Sophia died in a house fire on May 17, 1912, while trying to rescue her 6-year-old granddaughter, Hazel Boursaw, who also perished in the fire. Her husband died in Nahma Township, Delta County, on June 23, 1929. Both are buried in Indiantown Cemetery in Delta County.

Mary Medwesh was born around 1862, and she married Moses Macabee in Fayette on Feb. 5, 1883. They farmed in Bay de Noc and Nahma Townships in Delta County, where they raised one son and five daughters: Jennie, Anna, Frank, Mae, Rose and Eva. Mary died on July 8, 1914, and was buried in Indiantown Cemetery in Delta County. Her husband moved to Manistique around 1920, where he died on April 19, 1935.

Norman Williams was born around 1868, and his father was James Williams. Norman married Angeline Beaver in Delta County on July 13, 1891, and they had had five children: Mary, Sophia, Norman, Jane and Louise. Norman worked in the woods and the family spent many years in Schoolcraft County. By 1930 he and his wife had settled in Sault Ste. Marie; their daughter Louise was married to Norman Bouley by this time, and was living on Sugar Island. Norman Williams died in 1941 and Angeline died on February 27, 1958, in Sault Ste. Marie. She was buried in Hessel Cemetery in Mackinac County.

If you have information on these families, I'd like to hear from you. I can be contacted by mail to Ken Wengert, 17703 Avy School Rd., Pecatonica, IL 61063; by phone at 815-298-2703; or by email to kjw3.66@gmail.com.

JUNE WAS A YEAR THAT HAS PASSED SINCE U WERE TAKEN FROM US. WE LOVE U AND MISS U GRANDMA THUNDER. WE THINK ABOUT U AND THE REST THAT WERE TAKEN. WE WILL ALWAYS MISS THE GET TOGETHERS AT YOUR HOUSE. NEVER AGAIN WILL WE BE ABLE TO DO THAT. BUT WE KNOW THAT U ARE IN A BETTER PLACE. SAY HI TO MOM..UNCLE N GRANDPA. LOVE U ALWAYS GRANDMA THUNDER..U WERE THE BEST GRANDMA ANYONE COULD EVER HAVE.

Hello, We would like to thank those in the Hannahville Tribal Administration who made it possible for us to be with Paula's mother in her time of need. It was a long trying year, but she passed peacefully with her family by her side. Again, thank you, Scott & Paula Wandahsega and the Blair Family

Happy Birthday Lil John we love you so so much!! Auntie Tammy, Ron, Jesse Ray, Angel, & Emery. Have a great day buddy.

Attention Readers:

Hannahville Happenings newsletters are now being added to the www.hannahville.net website.

Issues from August 2011 - current are available for download and from August on will be in full color for better picture viewing.

Don't forget the newsletter is also available through email. If you would like to be added to the newsletter email list, please send an email to- newsletter@hicservices.org

You can also visit our facebook page (Hannahville Happenings) for pictures that didn't make it into an issue, job postings and reminders of events.

Office: (906) 723-2270

Email: newsletter@hicservices.org

Hannahville Happenings is a monthly publication of the Hannahville Potawatomi Tribe. Opinions appearing in this publication do NOT necessarily reflect the opinions of the Hannahville Happenings staff or the Hannahville Community.

We welcome letters, editorials, articles and photos from our readers.

**DEADLINE FOR
SEPTEMBER'S NEWSLETTER:
AUGUST 17TH**

Submissions are entered into each newsletter based on priority. Also, if your submission is not in before or on the deadline date, it is not guaranteed to be in the next issue. Thank you for your understanding that space is limited.
